

The screenshot shows a Visual Studio Code window with the following components:

- EXPLORER:** Displays the file structure of the project, including `bamazon_sql`, `README.md`, and `bamazonCustomers.js`.
- TERMINAL:** Shows the output of the command `node bamazonCustomers.js`. The output includes a welcome message and a list of 9 products.
- STATUS BAR:** Indicates the current file is `master*`, has 36 lines and 0 characters, and is using the `UTF-8` encoding.

The terminal output displays the following products:
